SENSITIVE

by STUDEX®

The SENSITIVE earring collection by STUDEX® offers a variety of **gorgeous** studs.

Made from the finest **hypo-allergenic** surgical stainless steel, some gold plated, STUDEX® SENSITIVE earrings are nickel safe. In addition, they are **lead-, cadmium- and cobalt-free**. Our high-quality materials will help you avoid allergic reactions.

Therefore, SENSITIVE earrings are **ideally suited for sensitive skin**.

LIFETIME WARRANTY

We believe in our products and therefore offer a lifetime warranty for our SENSITIVE earrings.

FOR SENSITIVE EARS

Our jewelry comes in a huge variety of choices and puts a sparkle on even the most sensitive ears.

PREMIUM QUALITY

The finest hypoallergenic jewelry in the world – for great, everyday comfort.

CERTIFIED SAFETY

Our SENSITIVE jewelry conforms to EC Nickel Directive 2004/96/EC and U.S. FDA (Food & Drug Administration) standards.
